

# **Leader in Training (LIT) Application**

**Summer Camp  
2019**

**YMCA Mission: To put Christian principles into practice through programs that  
build healthy spirit, mind and body for all.**

## **Introduction**

Thank you for your interest in joining our Leaders in Training Program (L.I.T.). This handbook will help answer some questions as you fill out your application form.

The YMCA selects teenagers (Rising 9<sup>th</sup> and 10<sup>th</sup> Graders) during the summer to participate in our L.I.T. Program. This program is designed to give high school students the opportunity to grow as a leader and to observe counselors, work with children, and be exposed to employment for the first time. Our camps are in operation during the summer months when school is out.

For over 50 years, the Alamance County Community YMCA has supported summer camp based programming that encourages young people to grow in spirit, mind, and body. Our YMCA is committed to providing trained professional staff for summer camps that will uphold our mission and character values.

### **Who we're looking for:**

When we select L.I.T.'s we look for people who will work to achieve our program goals:

- Teens who want the opportunity to positively impact the lives of children
- Teens who want to be a part of a team and learn leadership skills
- Teens who will serve a critical role in creating an atmosphere that is fun, safe, welcoming and challenging

Basically, we are looking for mature, creative, fun, enthusiastic and energetic people. If you love working with kids in an outdoor and indoor environment, YMCA Summer Camp may be just the place for you!

### **What working at camp is all about:**

Working through our L.I.T. Program will give you the opportunity to work with children from the ages of 5 and up. Several summer staff training events will be held during June aimed at developing the skills necessary for the summer. Camp Frontier workers will also have onsite outdoor training at the camp. A schedule of training will be provided to those applicants chosen.

If you've ever been to camp, you can probably guess what it's like to work there. YMCA Summer Day Camps are everything you could ask for in a camp - and more. Most staff members describe working at our YMCA Summer Day Camps as one of the most rewarding experiences of their lives.

Camp Frontier is nestled at the foot of Bass Mountain in Snow Camp, North Carolina. Camp Horizons is located at the YMCA and uses the surrounding area to help lead the kids in organized activities.

### **The responsibilities of the job:**

The first priority for all camp staff, including L.I.T.'s is to **ensure that all campers are safe and properly cared for throughout their stay at camp.** This means ensuring adequate and qualified supervision at all times, meeting the special needs of children, providing effective discipline and being a role model for youth while away from home. L.I.T.'s will learn all these skills through observation, one-on-one counseling/direction by the Summer Camp Director, and hands on experience.

L.I.T.'s also share in the day-to-day operation of the camp, which includes leading special programs, instructing campers in various skills, helping with spontaneous or unexpected activities and performing some cleaning duties.

There's a whole lot for YMCA Summer Day Camp L.I.T.'s to do in a day. Don't worry if you don't know how to do something listed above - we provide full training. And remember, the great thing about working for the Y is that everything is a team effort. We're all out there doing the job together!

### **Application Process:**

Interviewing and selection of the Leaders in Training takes place **at the end of April.** Interviewing for camp is a two-part process. First, you must submit your completed application with **two additional recommendations from teachers or community members.** Second, selected applicants will be contacted by April 30 to schedule a group interview. Final selection for L.I.T. positions will be completed by the beginning of May.

Because most applicants will not have previous work history or experience, a large determining factor will be based on the interview and response to application questions. Applications must be completed by the L.I.T. applicant (not their parents).

**L.I.T. Applications must be received by April 19, 2019.**
