MAKE A DIFFERENCE THIS SUMMER

CAMPERS IN LEADERSHIP TRAINING Alamance County Community YMCA

The YMCA selects teenagers (Rising 9th and 10th Graders) during the summer to participate in our Campers in Leadership Training Program. This program is designed to give high school students the opportunity to grow as a leader, observe counselors, work with children, and be exposed to employment for the first time. Our camps are in operation during the summer months when school is out.

We are looking for mature, creative, fun, enthusiastic and energetic people. If you love working with kids in an outdoor and indoor environment, YMCA Summer Camp may be just the place for you!

CAMP HOURS: 7:30AM – 6:00PM

COST: \$80 per week – Includes \$20 non-refundable weekly deposit
