## **Purpose**

In response to the Alamance – Burlington School System’s decision to educate students virtually for the first nine weeks, we have created a new program to meet our community’s needs. The Elon Young Achievers Academy is designed for students in rising kindergarten through 8th grade. This ten -week all-day program focuses on providing safe child care, while building character and creating learning opportunities.

We also offer Kid Fun Days and Holiday Camps as a child care service for teacher work days. For a child to attend each of these programs, they should be registered at the Welcome Desk at the Y or online at acymca.org. Holiday Camps are available as full day child care during the winter and spring breaks of the traditional ABSS student calendar.

We are committed to teaching character development in our youth programs. Especially the values of caring, honesty, respect, responsibility and faith. All YMCA programs are open to all children, regardless of race, sex, religion, nationally or ability to pay.

## **Elon Leaders Club**

We have also created another program to meet our community’s needs. Leaders Club is a program that provides teens (9th and 10th graders) opportunities for leadership training, personal growth, social development and service to others.

- Students will participate in weekly meetings that will prepare them to be leaders, efficient collaborators and future YMCA employees.
- Students will be given multiple time periods to complete their academics through virtual learning and participate in recreational activities such as sports, art, and music.
- Rides in will be from 7:30am - 8:30am. Rides out will be from 5:00pm - 6:00pm.
- All students will be screened upon arrival along with a daily temperature check. Masks will be required while indoors and we will promote social distancing.

In order for our students to be successful in our program, it is very important that they come prepared each day with the necessary materials.

### **Pick-up/Release Procedure**

Rides out is a system offered for the convenience of the parent when picking up your child. Between the hours of 5:00 - 6:00pm, we will have a staff member in the front of the South Campus Gym with a sign out sheet. This staff member will call for your child without you having to get out of the car. If you pick up your child before 5:00pm, you must park in one of the parking lots (not in the front) and walk into the gym. Upon showing a staff member your security card, they will call for your child so you can sign them out. If you authorize someone other than yourself to pick up your child, please notify us either in writing or by phone call the day of the scheduled pick up. The authorized individual will be asked to provide ID.

## **Social Media Accounts**

Feel free to follow our social media accounts. We have two specifically for our youth programs. You can find our accounts on Facebook and Instagram by searching Alamance County YMCA Youth Programs. By following these accounts, you will receive up to date information about programs and see fun posts about group activities. Also, the Y utilizes Remind as a notification resource. You can sign up for these notifications by texting the code 'acymcaasp' to '81010' or you can download the Remind app and enter the same code.

## **Medication**

All medications your child takes in our care must be given to the Academy's Director, in the original container, on your child's first day of care. A medication authorization form is available at the conclusion of this packet and must be completed in order for us to administer medication to your child. A current photo must accompany the medication for safety purposes. This form includes the name of medicine, what time the medication needs to be taken, permission to administer, parent's name and doctor's phone number for a reference. Medication may not be administered without this consent form. If medication is not picked up by your child's last day of care, we will hold the medication for a maximum of one week and after it will be discarded.

## **Emergency Contact**

Every effort will be made to reach you or other contacts on the registration form that you completed in the event of an emergency. If we are unable to reach any of the persons listed, we will take the necessary actions for the health and safety of your child. Should there be any changes in the emergency contact numbers, please notify the YMCA in writing so we may update your child's file.

## **Email Communication**

We utilize email to ensure parent to staff communication. If you do not receive emails from us, please make sure the Youth and Family Director knows to add you to the email chain. You can use email to inform us if your child will not be attending on a certain day or for any other communication you may need.

## **COVID-19**

Screening - We will take the temperature of each student upon arrival and each parent will need to answer a series of questions before allowing their child to enter our program. Each staff member will also have their temperature checked before the start of their shift.

Isolation Room/Area – There will be an isolation room to quarantine a sick child as they wait for their parent(s) to pick them up. Parents must pick up sick children within one hour of being contacted.

#### Healthy Environment:

- Social distancing of children and separating children into smaller groups that fall within state or local guidelines.
- Do not share equipment and clean equipment in between use. Limit the mixing of campers from groups (e.g., stagger playground time, keep groups separate for special activities such as art, music, movement).
- Disinfect high-touch hard surfaces throughout our sites hourly, such as door handles, light switches, faucets, toys and games that children play with.
- Enhance deep cleaning every night in all areas, on all touched surfaces.
- Increase the deployment of anti-bacterial hand sanitizers and disposable gloves.
- Educate our staff on COVID-19 symptoms as well as preventative measures.
- Instruct employees and children to wash/scrub their hands a minimum of hourly, which has been proven by the CDC to be the most preventative measures.
- Mandate that those who are not feeling well to stay home to prevent the spread of germs.

Transitions - Groups will transition one at a time to allow a deep cleaning process at each activity during transition times. Deep cleaning includes using disinfectant and sanitizer solutions on all surfaces and equipment used by any child or staff member.

#### **Discipline Policy**

We believe children learn self-control when adults treat them with dignity and use techniques such as:

- Guiding children by setting clear consistent limits for group behavior. Older children should help set their own limits.
- Visualizing mistakes as learning opportunities.
- Redirecting children to a more acceptable behavior or activity.
- Listening to children when they talk about their feelings and frustrations.
- Patiently reminding children of the rules and the rationale as needed.

Corporal punishment or abusive language of any kind is not allowed in any program associated with the Alamance County YMCA. Rules will be consistent based on the understanding of the individual needs and development, and will promote self-discipline and acceptable behavior. Positive reinforcement will be used to guide the children. If necessary, a time-out period will be used to help regain control. If a discipline problem continues to persist, parents and the staff will work together to resolve the conflict.

To ensure the uniform handling of discipline problems and corrective discipline procedures, the following guidelines have been established:

Minor Offenses

Back talking to a counselor  
Not listening to directions  
Leaving the group  
Being disruptive/loud  
Antagonizing/starting trouble

Going into unauthorized areas  
Throwing objects (Sticks, rocks, etc.)

Lying/deceiving, theft

The discipline procedure for each category is as follows:

1 - Written Warning & Time-out  
2 - Written Warning  
3 - Parent Conference  
4 - One Day Suspension

2 - Written Warning/Parent Conference  
3 - One Day Suspension  
4 - Three Day Suspension  
5 - Expulsion from the Program  
6 - Expulsion from the Program

Expulsions from the program are for the remainder of the school year. Refunds will be considered on a case by case situation. A child who has been expelled from the program may request to be allowed back in the next school year. This request must be approved by the Executive Director and, if granted, the child will be on a 90-day probation period.

**Cell Phones/Electronics**

While we recognize that most students now carry cell phones and other electronics, we do not allow them to be used during YMCA Youth Programming. We believe in the benefits of healthy activity and social engagement so we promote that philosophy through our daily activity schedule. If you need to reach your child, feel free to contact the Welcome Desk at (336) 395-9622. If your child is caught using their electronic device while attending the program, a staff member will take their phone away and give it to you during rides out.

## **Commitment to a Child Safe Environment**

The Alamance County YMCA is committed to keeping children safe in our community. This means educating ourselves and our community about child abuse and how we can work together to prevent it. Please read further to learn more about what you can do to protect children from abuse.

## **Information About Abuse**

Child abusers can be parents, caretakers, friends, neighbors or anyone who comes in contact with your child - even other youth. It takes everyone's help to stop the cycle of abuse. Below are the four types of child abuse that are registered by most states:

- Emotional - Threatening a child using words that can hurt a child's feelings and self-esteem; withholding love and support from a child.
- Physical - Causing injuries to a child on purpose, such as bruises, burns, scars, or broken bones.
- Sexual - Having sexual contact in any form with a child, including exposing, fondling, intercourse, pornography or internet solicitation.
- Neglect - Not providing children with enough food, clothing, shelter, medical care, hygiene, or supervision.

Child abuse can happen between an adult and a child, or from one child to another (peer to peer).

## **Child Safety Policy**

**Our Staff** - The Alamance County YMCA has more than 200 staff members and volunteers working with youth in multiple departments.

**Our Screening** - To keep children in our program safe, we take the following steps in our intensive screening of employees and volunteers;

- Detailed Application Forms
- Comprehensive Interview Process
- Reference Checks
- Criminal Background Checks
- Internet Searches

**Our Trainings** - Employees complete an extensive child abuse prevention training program.

Supervisors and managers complete additional training to further promote a child-safe environment. All staff members are mandated to report any suspected child abuse.

**Our Policies** - Staff are prohibited from working one-on-one with youth. Policies exist to ensure staff and volunteers are not alone with a child. If you observe a member of our staff violating this or any other policy, please alert us.

## **Working Together for Safety**

Whether your child is attending one of our programs, or any youth program we suggest having open and honest discussions with your child on a routine basis about his or her experience. Talk to your child about his or her experiences in our program, school, sports and other activities.

Drop in on your child's program and trust your instincts - Don't wait to tell a supervisor if something seems strange

Watch for warning signs of abuse:

- Unexplainable bruising or other physical markings
- Disturbed sleeping or eating patterns
- Abrupt changes in behavior-anxiety, clinging, aggressiveness, withdrawal, depression
- Fear of a certain person or place
- Discomfort with physical contact

Listen and watch for signs of your child receiving special attention that other children are not receiving, including favors, treats, gifts, rides, increasing affection, alone time, partially outside the activities of school, child care or other activities.

Every once in a while, ask your child these questions:

- Is anyone scaring or threatening you?
- Is anyone asking you to keep secrets?
- Has anyone said anything to you that made you feel bad?
- Is anyone touching you in a way that you don't like?

Encourage your child to tell you or another trusted adult if anything happens to him or her.

If You Suspect Abuse...

- Report this to the local Child Protective Services (336) 229-2908 or local law enforcement (911).
- If you think your child has been physically injured, seek medical attention.
- If you have any questions or concerns regarding a member of our Y staff, please contact our CEO Walter Britt or Dominique Ireland at (336) 395-9622
- National Child Abuse Hotline (800) 422-4453
- Alamance County Department of Social Services (336) 229-2908
- Crossroads Sexual Assault Response and Resource Center (336) 228-0813
