ALAMANCE COUNTY COMMUNITY YMCA

Group Exercise Class Descriptions

- **BARRE SCULPT EXPRESS:** This is a dynamic fusion class that combines the grace of ballet, the core strength of Pilates, and the flexibility of yoga into a high-intensity, music-driven workout experience
- **CARDIO DANCE:** Using simple dance steps to create routines that combine fast and slow rhythms for a Cardio Dance workout that will burn calories, tone, and sculpt the body while having fun. No dance experience required!
- **CORE TRAINING:** a 30-Minute class designed to condition core muscles and strengthen your abs and back
- **HIIT:** High Intensity Interval Training incorporates strength training with Cardio bursts. Blending cardio and strength for maximum benefit
- **LINE DANCING:** Grab a friend or two, get in line, and step in unison to popular tones and oldies. Great workout for all ages
- **PILATES:** This class is designed to improve core muscle strength, increase flexibility, and improve overall health using mat work
- **POUND:** A full-body workout using drumsticks that combines cardio, conditioning, and strength training with yoga and Pilates-inspired movements
- **POWER TONING:** Complete toning utilizing a mix of ballet, Pilates, strength with emphasis on posture, alignment and core
- **SEATED ZUMBA GOLD:** intended for all fitness levels and for those who enjoy the chair as a modification. Enjoy the rhythms of Zumba at your own level! This is perfect for those with restricted mobility or balance issues. If you love music and dancing – this is a must try!
- **SILVER CIRCUIT:** Functional class alternating low impact cardio with strength, toning
- **SILVER YOGA:** Designed to increase your flexibility and range of motion with an emphasis on breathing, balance and posture. Chair is used – sitting or standing (no floor work)
- **SILVER SNEAKERS:** Classic focuses on strengthening muscles and increasing range of movement for daily life activities. Participants can use hand-held weights, elastic tubing with handles and a Silver Sneakers ball. Often a chair is used for seated exercises or standing support
- **SPIN:** Riding drills to focus on endurance, strength, and recovery.
- **STEP:** Includes a warm-up followed by a step segment (a low impact activity which involves stepping up and down on a platform while performing creative choreographic movements to music) followed by a cool-down, flexibility, and some core strength training. Abs and relaxations will end the class
- **STEP CIRCUIT:** Alternating intervals of upper body strength and step aerobics. Finished off with core work and stretch
- **TOTAL STRENGTH CIRCUIT / CIRCUIT:** Alternate muscle groups for an awesome total body workout using body weight, bars, hand weights, and/or tubes
- **ULTIMATE WORKOUT:** An all-over workout that is low-impact. Focuses on strength, abs, and total body
- **YOUNG AT HEART:** Make friends and have fun while you energize your body and move to the music through a variety of exercises designed to increase flexibility, muscular strength, balance, and cardiovascular conditioning
- **YOGA:** This class focuses on breath control, simple mediation, and the adoption of specific standing postures to improve posture, strength, and flexibility
