DEVELOP EMPOWER LEAD

2020 - 2021 Leaders Club Alamance County Community YMCA

In response to the Alamance – Burlington School System's decision to educate students virtually for the first nine weeks, we have created a new program to meet our community's needs. Leaders Club is a program that provides teens (9th and 10th graders) opportunities for leadership training, personal growth, social development and service to others. Registration begins July 31, 2020. To register, please go to our website at acymca.org or visit our Member Services at the YMCA.

- Students will participate in weekly meetings that will prepare them to be leaders, efficient collaborators and future YMCA employees.
- Students will be given multiple time periods to complete their academics through virtual learning and participate in recreational activities such as sports, swimming, art, and music.
- Rides in will be from 7:30am – 8:30am. Rides out will be from 5:00pm – 6:00pm.
- Breakfast and lunch will be provided.
- All students will be screened upon arrival along with a daily temperature check. Masks will be required while indoors and we will promote social distancing.

COST: \$75 per week

A \$25 registration fee is required to hold a spot in the program. This fee is **non - refundable once the program begins.**

WHEN: August 17th - October 16th, 2020
