## GROUP LAND CLASSES

- **Cardio Dance:** Using simple dance steps to create routines that combine fast and slow rhythms for a Cardio Dance workout that will burn calories, tone and sculpt the body while having fun. No dance experience required!
- **Core Training:** A 30-minute class designed to condition core muscles and strengthen your abs and Back
- **FIT & STRONG:** It's all about the power of your muscles. Dumbbells, barbells, tubes, kettle bells, etc. used to strengthen and tone the entire body. Your choice of weights inspires you to get results.
- **HIIT:** High Intensity Interval Training incorporates strength training with cardio bursts. Blending cardio and strength for maximum benefit.
- **Line Dancing:** Grab a friend or two, get in line, and step in unison to popular tunes and oldies. Great workout for all ages.
- **Pilates:** This class is designed to improve core muscle strength, increase flexibility and improve overall health using mat work.
- **Power Sculpt:** This class is designed to offer a full upper and lower body workout. The class will incorporate a variety of equipment to build muscular strength and endurance, resulting in a leaner body.
- **POWER TONING:** Complete toning utilizing a mix of ballet, pilates, strength with emphasis on posture, alignment and core
- **SILVER SENIOR Circuit:** Functional class alternating low impact cardio with strength, toning, and stretching segments. Emphasis on balance, agility, reflexes, and range of motion in everyday activities.
- **SILVER SENIOR Yoga:** Designed to increase your flexibility and range of motion with an emphasis on breathing, balance and posture. Chair is used - sitting or standing (no floor work)
- **Step:** Includes a warm-up followed by a step segment (a low impact activity which involves stepping up and down on a platform while performing creative choreographic movements to music) followed by a cool-down, flexibility and some core strengthen training. Abs and relaxations will end the class.
- **STEP CIRCUIT:** Alternating intervals of upper body strength and step aerobics. Finished off with core work and stretch.
- **STRENGTH Circuit:** Alternate muscle groups for an awesome total body workout using body weight, bars, hand weights, and/or tubes
- **Ultimate Workout:** An all over workout that is low impact. Focusing on strength, abs, and total body.
- **Young at Heart:** Make friends and have fun while you energize your body and move to the music through a variety of exercises designed to increase flexibility, muscular strength, balance and cardiovascular conditioning.
- **Yoga:** This class focuses on breath control, simple meditation, and the adoption of specific standing postures to improve posture, strength, and flexibility.
