## Y Adventure Guides

In Y Adventure Guides, also known as Y Guides and Princesses, fathers and children spend constructive and high quality time together, emphasizing the vital role that a father plays in a child's development. Children learn to be healthy and caring individuals while dads teach and demonstrate positive values. Y Adventure Guides launches parents and their children on a journey of discovery, with the child as the **explorer** and the parent as the **guide**.

**No gift you give a child means as much as the time you spend with them.**

**When and How:** Program runs during the Academic School Year

Each father/child pair is placed in a tribe consisting of 8-15 pairs. The tribes meet once a month in a parent's home to participate in fun activities together. In addition, all the tribes come together monthly for "Nations" outings, which are arranged by the Y staff. Outings examples are roller skating, bowling, Putt-Putt, sporting events, Valentines Dance, Christmas parade, community projects and much more!

The entire Nation is invited to go on two overnight weekend trips, spending time together at Y camps that offers lots of excitement and adventure!

**Ages:** Kindergarten through 4th graders
