YOUNG ACHIEVERS ACADEMY at ELON Alamance County Community YMCA

In response to the Alamance – Burlington School System's decision to educate students virtually until January 15th, we have created a new program to meet our community's needs. The Young Achievers Academy at Elon is designed for students in rising kindergarten through 8th grade. This all-day program focuses on providing safe child care, while building character and creating learning opportunities.

- Our students will be given multiple time periods to complete their academics through virtual learning.
- Students will participate in recreational activities such as sports, art, and music.
- Rides in will be from 7:30am - 8:30am. Rides out will be from 5:00pm - 6:00pm.
- Meals will be provided. More information to come!
- All students will be screened upon arrival along with a daily temperature check.
